I have PDFs of most of my references. Should I send them in a series of emails?

The references from Phil are now in, as well as all of Kravitz's.

Dear Mike and Glenn,

TSS has finished adding the new references to the Bristol Bay Assessment Web group. If we were able to locate a pdf of the document then we attached the that to the reference and it should be available for all members of the group to see. Please let us know if there is anything else that we can do for you regarding this request.

TIU,

I have a high priority request. We need to enter the attached references into Endnote for the Bristol Bay Assessment Web group. I was not able to find these in the Web of Knowledge. A number of these are government pubs and will have to follow that specific format. Thank you very much,

Mike
